Information & Reminders

- Thank you to all the families that I met with during conference time. It was great to share the progress that your child has made throughout the year. Please make sure the learning does not stop. Reading, writing and math are some things that can always be worked on at home and throughout the summer. If you have any questions between now and the end of school, please let me know. I'm looking forward to a productive fourth quarter.
- **Tooth Charts are due on Friday!** Make sure you are recording when you brush your teeth. Return the charts to school for a free toothbrush!
