Information & Reminders

- Conferences will be held this coming Tuesday and Wednesday evening. Please make sure you check the time you are scheduled to visit with your child's teacher. I would recommend that students come. This will be our last official contact about your child before the end of the school year. If you have any questions, please feel free to bring them up during your conference time. As a reminder, everybody is scheduled for 15 minutes and we try our best to stay on schedule. If time does run over, I would be more than willing to schedule another time we can meet.
