Information & Reminders

- We will be having a Kindergarten Celebration of Learning on Thursday, May 14th. This is a time when we will celebrate your child's Kindergarten year and accomplishments. The celebration will begin at 2:15. Treats will be provided. Please mark this on your calendar and plan to attend this event if you are able.
- The last day of school is soon approaching but that does not mean that we are going to stop the learning. We have new things to learn until the last day of class. Please stress to your children that they still need to be following the rules, listening to teachers and to be good citizens. Thank you for your support!
