## Information & Reminders

- We as teachers encourage students to come with their parents to conferences. This is a great way to get the whole family involved as well as for your children to be involved in their learning process and to listen to what their teacher has to say. I'm looking forward to talking with you and your child this week.
- Please make sure you are getting your child to school on time. The first bell rings at 7:55 and the final bell rings at 8:00. After 5 or more tardies or absences, I will be contacting you so we can think of ways to be on time or get to school.
- No School on Friday. Enjoy the three-day weekend.
